- A two-night minimum stay is required if the stay includes a Friday or Saturday,
- A three-night minimum stay is required over the July 4th holiday or Labor Day weekend.
- If reservation is cancelled with more than 3 days from scheduled arrival, a full refund of the deposit will be given.

- No refunds will be given for late arrival, early departure or unused portion of the reservation.

Note: Reservations from November through mid-May do not require deposits but we do request a 24-hour notice for cancellations. (Group bookings, however, require a deposit year-round and have a different set of cancellation policies. Please see details below).

### Weekly reservations

(Applies to weekly stays from May through October)

- A \$500 deposit is required.
- If cancelled before April 15<sup>th</sup>, deposit is returned less a \$50 processing fee.

- If cancelled after April 15<sup>th</sup>, deposit is forfeited unless the week can be re-booked, in which case the deposit will be returned less a \$50 processing fee.
- If cancelled 45 days or less of scheduled arrival, Harbor Lights will make every effort to re-book the unit. However, the customer is liable for charges for any days not rented during the reservation period.
- No refunds will be given for late arrival, early departure or any unused portion of the reservation.

### **Group bookings (5 or more rooms)**

(Applies to group reservations year-round. Note: Some exceptions may apply during off-peak times.)

- The group coordinator must sign a Group Booking Agreement prior to rooms being held (room block).
- Rooms will be held without deposit up to 90 days prior to the reservation date (cutoff date).
- Prior to the cutoff date, individuals should call to reserve their room from the room block and guarantee their reservation with one night's deposit.
- Any rooms not reserved with a deposit by the cutoff date will no longer be held.
- If the entire group cancels with 30 days or less from the reservation date, Harbor Lights will make every effort to re-book those units. However, the group coordinator will be responsible for any units not rented.
- Individuals needing to cancel from a group booking are subject to our usual cancellation policies outlined above in the nightly or weekly reservations section.

### **Quiet Time**

In an effort to enhance the experience of all the guests on our property, we observe an **11pm quiet time** both inside the units and outside on our grounds. Anyone that is responsible for excess noise and disruption to other guests may be held financially responsible for compensation to those impacted.

### **Maximum Guests per Room**

Each room type has a maximum number of guests allowed as stated in the room descriptions online. If the number of guests exceeds the allowed limit, an additional room(s) must be rented. If management becomes aware that the maximum has been exceeded, a fee will be assessed at the discretion of management.

### **Cleaning**

Included in the rental rate, we offer daily cleaning service in all of our units and, of course, a full cleaning at the end of each stay. However, should a unit be left in a condition that requires cleaning services over and above what would be considered normal and customary, the customer will be charged an additional cleaning fee. The fee will be at the discretion of management and will be directly related to the extra time and effort needed to return the unit to rental-ready status.

### **Parking**

(Applies from Memorial Day weekend until Labor Day)

Guests are allowed one vehicle per 1BR unit and a maximum of two vehicles for a 2BR or 3BR unit. Also, we are unable to accommodate boats or trailers for the summer months. Please inquire at the front desk for boat and trailer parking options.
